Counsel: I received today both of your letters dated and faxed last evening, September 9. I will find the earliest opportunity to forward and review your correspondence with Ms. Koch, however, Ms. Koch's attention is now focused on her father-in-law who is gravely ill. The senior Mr. Koch took a turn for the worse yesterday such that I am unable to anticipate when Ms. Koch might be able to leave her responsibilities for his care at her home in New York in order to inspect LA Weight Loss documents in Philadelphia. I will not plan to review documents tomorrow unaccompanied by Ms. Koch. Perhaps you can advise me of the availability of the requested documents on any dates next week if Ms. Koch might be able to attend. Otherwise, I will respond to your letters as soon as practicable.
